To: Bureau of Developmental Disabilities Services Case Managers
From: Cathy Robinson, Director, Bureau of Developmental Disabilities Services
RE: New Rates Effective July 1, 2015
Date: May 21, 2015

On July 1, 2015 new rates will be in effect for Community Habilitation – Individual (CHIO), Facility Habilitation – Individual (FHIO) and Respite for both the Family Support and Community Integration and Habilitation Waivers. Residential Habilitation Services (RH10 and RH20) will have new rates under the Community Integration and Habilitation Waiver. The new rates are in the table below and a new rate chart will be posted on the Division of Disability and Rehabilitative Services' [Announcements webpage](#).

While these rates are being implemented across both waivers, the Bureau of Developmental Disabilities Services (BDDS) anticipate only a relatively small number of individuals will be immediately impacted by the new, increased rates. This group of individuals will see a change in their Cost Comparison Budgets (CCBs) that will result in a need for team discussion to determine if the service package continues to be appropriate for them.

Although the new rates do not go into effect until **July 1, 2015**, BDDS will be converting to the new rates prior to that in order to give case managers and providers an opportunity to review the changes prior to the July 1 conversion. Below is the timeline for the conversion and the actions case managers will need to take after the conversion is complete.

- **May 22, 2015** at 4:30 p.m. EST, all case managers **MUST** be out of INSite. INSite will not be accessible until **May 25, 2015** at 8 a.m. EST.
- **May 23 and 24, 2015** conversion of rates will take place in the INSite system. The conversion process will update rates and create new CCB and Notice of Action (NOA).
- For the Family Supports Waiver:
 - The hours of CHIO, FHIO and Respite will be adjusted so that individuals CCB's will remain at the \$16,545 cap for this waiver.
 - When more than one of these services is being provided each service will be reduced proportionately.
 - Once the conversion takes place, case managers should review CCB's with the team to determine if there is any need to update the CCB based on the rate changes.
- For the Community Integration and Habilitation Waiver:
 - The hours of CHIO, FHIO and Respite will be adjusted so that individuals DAYS Reserve will remain at the allocation for the individual (\$5,500; \$10,500; \$18,000)
 - When more than one of these services is being provided each service will be reduced proportionately.

- Once the conversion takes place, case managers should review CCB's with the team to determine if there is any need to update the CCB based on the rate changes.
- For individuals who have a DAYS reserve above the normal allocations listed above the hours of CHIO, FHIO and Respite will be adjusted to bring the DAYS reserve to the level it was prior to the rate increase.
- For RHS 10 and RHS 20 the Objective Based Allocation (OBA) and the RHS allocation will be increased to reflect the number of hours the individual is currently receiving. RHS hours will continue to be provided at the levels required in 460 I.A.C.
- Once the conversion takes place, case managers should review CCBs with the team to determine if there is any need to update the CCB based on the rate changes.
- Budget Modification Requests (BMR's) will be denied if the date of the foundation CCB is July 1, 2015 and after regardless of the BMR date.
- Updated NOA's will begin going out to NOA email address on **May 26, 2015** and will continue to be sent out through **May 29, 2015**. On each of these four days 25 percent of the NOA's will be sent out. This so that the email systems for both the State and the providers will not be adversely affected by the volume of emails being sent.
- If providers have not received their NOA's by close of business on **June 1, 2015** they should submit a ticket to the INSite help desk with a list of individuals who they did not receive an NOA on but they believe they should have.
- NOA's will only be issued to providers when the provider is rendering one of the services which have had a rate increase. NOA's will not be issued to providers of services that did not have a rate increase.

If you have questions or issues regarding this conversion please send an email to BQIS.Help@fssa.IN.gov.

July 2015 Rate Conversion Timeline

Date/Timeframe	Event
5/24-5/25/15	Conversion of rates will take place in the INSite system
5/26-5/29/15	Updated NOA's will begin going out to NOA email address (25 percent each day)
6/1/15	Providers should confirm receipt of NOA by close of business this day (NOTE: NOA's will only be issued to providers when the provider is rendering one of the services which have had a rate increase. NOA's will not be issued to providers of services that did not have a rate increase).
5/27-6/30/15	Case managers should review CCB's with the team to determine if there is any need to update the CCB based on the rate changes
